

The Spirit of Jewelry Making Exhibition

Curated by renowned Thai jeweler Saran Youkongdee, Bangkok Gems' highlight exhibition titled 'The Spirit of Jewelry Making' explores how **belief** has inspired countless generations of jewelry design in Thailand. From nature's hidden forces to sacred icons and religious teachings, the exhibition presents an array of pieces that capture the essence of devotion. The selected jewelry masterpieces showcase how these beliefs have been reinterpreted over time, giving life to timeless works of art that continue to resonate with beauty and faith. The exhibition is also a corner for master artisans at work, presenting the beautiful art of jewelry making.

The Spirit of Jewelry Making, a highlight exhibition at **The 70th Bangkok Gems and Jewelry Fair**, running from **9 - 13 September** at the Queen Sirikit National Convention Center (QSNCC). Free Admission.
